Jim:

Subject: Contract HF-32-27

The following is a listing of the items which are short on the inventories submitted to you on February 10 and 24 (our letters JF-P-166 and JF-P-178):

<u>Item</u>	<u>Quantity</u>	<u>Value</u>
H Mirror 155-0008	1	\$ 500
I Mirror 155-0009	1	500
Primary Mirror 155-0014 & 155-0005	1	200
Elbow Mirror 155-1012	1	200
Field Barrel Group 157-1123	1	50
		<u>\$1,450</u>

The values given above are estimated based on an examination of identical parts here. In our opinion, the fourth and fifth items were modified during the course of the work on the contract and are probably scrapped. The other items we are unable to locate, however, we do certify that they have not been charged to the Government through other contracts and that if we are able to locate them we will so notify you.

The only other outstanding item to our knowledge is a release. We would be willing to submit a release in the amount of \$249,676.03 which is \$25.00 less than the amount in Amendment No. 4. This \$25.00 would cover the three books listed on Page 3 of Schedule 2 of our February 10 submission.

We hope the above information will enable us to bring the contract closeout to a speedy conclusion.

Charlie
